

**NCNR User Group (NUG) Executive Committee
Minutes from conference call on May 18, 2018**

Present from NIST: Dan Neumann, Julie Borchers, Bill Kamitakahara

Present NUG executive committee members: Megan Robertson, Mike Crawford, Julie Hipp, Carlos Lopez-Barron.

Present: James Rhyne

Topic 1: Future directions for CHRNS

The executive committee discussed the CHRNS program with James Rhyne. Topics of discussion included the instruments supported by CHRNS, methods of increasing the visibility of CHRNS within the NCNR community, opportunities to further develop educational and outreach programs supported by CHRNS, methods of increasing the diversity of the user community that is impacted by CHRNS, and other potential future CHRNS initiatives.
